## WHAT WE OFFER

- Cyber protect and prevent presentations (general or a specified topic) either virtually or in person. To the public, schools, parents, teachers, community groups, professionals, businesses and organisations etc.
- Attend events and host a stall providing interactions with the public along with leaflets, activities/quizzes, and goodies.
- Claire and Sophie often work together to provide joint Protect & Prevent support, but can also be requested individually if preferred.
- As we are from the Police, everything we offer is completely free of charge!
