INTRODUCTION

The governing body of Royton Hall Primary School is committed to providing quality education for all its pupils, based on equality of opportunity, access and outcomes. The school recognises that, nationally, there is considerable educational underachievement of children in residential and foster care, when compared with their peers, and is committed to implementing the principles and practice, as outlined in "Guidance on the Education of Looked After Children" (May 2000) and Section 52 of the Children Act 2004. Children who are "looked after" may be "Accommodated" "In Care" or "remanded/ detained" as follows:

Accommodated (Section 20)

This is a voluntary arrangement, because parents are ill, missing, unable to cope, or as part of a child protection plan negotiated with the family. The parents retain parental responsibility.

In Care

A child is in care only if a court has granted a Care Order which it will issue if it believes a child to be suffering or likely to suffer significant harm. A care order generally gives parental responsibility to the local authority, or shares this with the parents.

Remanded/Detained

A child can be remanded or detained as in the following:

- an emergency protection order
- removed by police using their powers of protection
- remanded by a court following criminal charges
- a court directing a social services department to accommodate a child (already on a supervision order for criminal behaviour) for up to six months

Children Looked After may (or may not) have some or all the following issues:

- low self esteem
- poor education standards due to time out of school
- delayed social/emotional/ cognitive development
- be bullied or bully others
- be prone to mental health issues
- be isolated with few friends
- have behaviour issues
- poor attachments to others
- have a need to be very private

This makes them an extremely vulnerable group in terms of education and future life-chances. The school, is committed to ensuring that these children are supported as fully as possible and will ensure that the following are in place, and are working effectively:

- a Designated Teacher for Looked After Children
- Personal Education Plans for all Looked After Children

- keep PEPs and other records up to date, particularly in time to inform review meetings
- ensure that each child in public care (if they wish) has an identified member of staff that they can talk to (this should be based on the child's request, and may not necessarily be the Designated Teacher)
- co-ordinate support for the child in the school and liaise with other professionals and carers as necessary
- ensure staff receive relevant information and training and act as an advisor to staff and governors
- ensure confidentiality for individual children and only share personal information on a need to know basis

- ensure that the child and carer(s) receive early notification of meetings, parents' evenings and other events and that communication remains regular and positive
- encourage CLA to participate in extra-curricular activities and out of hours learning, where feasible
- ensure speedy transfer of information between individuals and other relevant agencies and to a new school if and when the child transfers
