This term, our topic is 'All About Me'. We will develop our writing skills using our segmenting fingers, full stops, fingers spaces and capital letters. We will be developing our writing across all of the curriculum subject areas as we find out about our local area. We will become scientists exploring the human body and our senses. We will become artists as we design and make pumpkins inspired by Yayoi Kusama and historians as we find out about changes in technology since our grandparents were born. In Maths we are learning about place value, addition and subtraction and developing our fluency in Mastery Maths.

Please ensure your child arrives on time every day, to give them the very best start to the school day. Our doors open at 8.40am and registration and learning begins promptly at 8.45am. If you arrive at school after this time, make your way to the main office to sign your child into school.

At Royton Hall, we value the importance of working in partnership with you to help your child achieve the best they can in all aspects of their learning. If you have any questions or concerns relating to your child, please speak to your child's class teacher. You can
