Mrs Charlton's News

We hope you all had a wonderful half-term break and were able to make the most of the lovely sunshine. While the recent change in weather has been disappointing, we remain hopeful that the sunshine will return soon.

On Monday our Health Champions, Isaac and Jensen, led the assembly by sharing information about their role and introducing the 'tree of positivity' which is displayed in our school hall. Each class will contribute positive messages on to the leaves, creating an uplifting display for everyone to read. The messages will help promote positivity, kindness and happiness throughout the school, while also providing a source of encouragement and support for anyone who may need a boost.

Earlier this week, our KS1 children wrote descriptive shopping lists in preparation for their visit to Royton Market yesterday. During their trip, the children carefully selected a variety of vegetables that would be suitable for making soup. Today, the children enjoyed chopping and preparing the vegetables they had purchased, ready to be added to their soup. They were excited to taste the finished result and were very proud of their efforts. Next week, the children will build on this experience by writing their own soup recipes, using the knowledge and vocabulary they have developed throughout the activity.

It is with great sadness that I share the news that Mrs Valentine, a valued member of our school kitchen team, passed away last week following a short illness. Mrs Valentine had been a dedicated and much-loved member of our school community since 2012. Her kindness, warmth and commitment to the children and staff will be fondly remembered, and she will be greatly missed by all who knew her. At this difficult time, our thoughts and heartfelt condolences are with Mrs Valentine's family and friends.
