Mrs Charlton's News

I can hardly believe that we are almost at the end of another academic year! The weeks seem to have flown by, and there has certainly been a lot happening in school.

Yesterday, the majority of our Year 6 children spent the day at their new high schools as part of their transition programme. Back at school, we held our own transition morning, giving children the opportunity to spend time in their new classrooms, meet their new teacher and get to know some of their classmates ahead of September.

Before the children met their new teachers, I set them a challenge to discover an interesting fact about them. There were certainly some fascinating discoveries! Did you know that Mrs Bradley, in Year 6, was once bitten by a penguin? Or that both Miss Finn and Mrs Cousins each have two pugs? It was a lovely way to break the ice and help everyone feel excited about the year ahead.

This afternoon will mark our final Celebration Assembly of the academic year. Next Friday will be a little different, as we will be welcoming the author and illustrator Liz Million, who will be spending the day working with every class. Through interactive sessions, she will share what it is like to be an author and illustrator while inspiring our children to develop a lifelong love of reading and writing. See attached letter for additional information.

Finally, we know that many of our children will be keen to watch England's next World Cup match this weekend. To help ensure everyone arrives at school on Monday on time and bright-eyed, if England are successful, we will replay the match on Monday morning in school for any children who would like to watch it.
