Dear Parents/Carers

In EYFS (Nursery & Reception Class') we use 'Tapestry' as an online learning journal provider as it allows class teachers and parents to communicate and share observations, photographs and videos either via an app or website.

Please see <https://tapestryjournal.com> for more general information.

All data that is entered is securely and privately stored and can only be accessed by entering a secure email and password. Please see <https://tapestry.info/security> for more details.

After your child has started with Royton Hall School, we will set up an account for you to enjoy watching your child's learning journey through our Early Years setting. Further details will be sent by the teacher allowing you the opportunity to ask any questions you may have prior to the accounts being created.

To comply with Data Protection we need your consent to include your child on this informative learning journal. Please complete and return this form to school.
